

BOARDING AT LOUGHBOROUGH GRAMMAR SCHOOL

STATEMENT OF PRINCIPLES

The following are the five principles upon which boarding at this school is based:

- 1) Being an open and trusting school, boarding is based upon mutual respect for all members.**

- 2) Each boarder has the right to be able to work, play and relax free from abuse, intimidation, harassment, teasing and bullying.**

- 3) There is an equality of opportunity and respect for all boarders, regardless of ethnicity, culture, gender or disability.**

- 4) Each boarder has the right to extend his intellectual growth in an atmosphere of positive encouragement and in conditions that are conducive to work.**

- 5) Despite the often great distance separating boarders from their families, links with parents are seen as an indispensable part of the support and development of boarders in this school.**

BOARDING AT LOUGHBOROUGH GRAMMAR SCHOOL

STATEMENT OF INTENTION

Boarding primarily exists to enable boys to attend Loughborough Grammar School who would, by reason of distance or domestic circumstance, otherwise be unable to do so, and whilst doing so take as full a part as possible in the varied life of the school.

Boarding is also offered as a facility to all families with boys at the school. For whatever reason, any boy may board on a casual or full-time basis by agreement and arrangement with the Housemaster.

It is our hope and intention that each House provides a comfortable, safe and caring term-time home, where each boy feels of value, and can through a range of social contact, academic support, and compassionate guidance, be helped to achieve all to which he aspires.
